About Our Homemade Michigan Sauce

It's our homemade 99% angus beef meat sauce (with no onions or peppers).

It is gluten free. Seasonings include light fresh garlic, light chili powder, mustard and the rest is our ancient recipe. Is it spicy? It has a kick, but we have hot sauce, so you can add more if you'd like.

This sauce is available on everything or on the side, like with burgers, nachos, fries and more. Also available in quarts and pints to take home.
